Khartoum – Sudan

2010 8-10
الخرطوم السودان

**Mental Health Service
in The Arab World
(Challenges and Prospects)**

www.sudanesepsychiatrists.org

Dear colleagues,

On behalf of the Sudanese Association of Psychiatrists it is my pleasure to announce the 11th Pan Arab Psychiatric Conference, that will take place in Khartoum, Sudan in the period between 8- 10 December 2010 under the theme of "Mental Health Services in the Arab World (Challenges and Prospects)

Reflecting on our current situations in our world which are laden with crises, conflicts and challenges, we mental health specialists should come together and work for better services for those in need.

Khartoum bring a melting point of cultures will see gatherings of mental health professionals from Arab world, sub-Saharan Africa and many others from different regions of the globe.

It is hoped that it will be a pleasurable scientific and cultural event of unforgettable tours to variety of land attractions, such as Reserved Parks Safari and Nile cruises and other social events in the pleasant weather of December

You are all cordially invited to attend this remarkable occasion.

We look forward to seeing you in Khartoum to enjoy the Sudanese hospitality.
