Dear Professors and Colleagues

The Child Mental Health Association-Alexandria, Egypt in collaboration with the American Center-Alexandria have the pleasure to announce the preparation of a new course in **CBT (Cognitive Behavioral Therapy)**

Timing and Place of the course: The training course will start from Sunday 10/9 till Thursday 15/9/2011. The duration will be 5 full days starting 9am till 5pm. It will be held in the American Center- Alexandria

Target group: Psychiatrists, Pediatricians, Psychologists, Social workers. Teachers, KG teachers and Parents

Goals of the course : 1. Introduce the participants to the normal psychological, social and cognitive development of children and adolescents

2. Acquire the skills to early diagnose children in need of this kind of intervention

3. Teach the participants the components of the CBT through workshops, role play and by applying them themselves

Trainers: Professors and consultants with a vast knowledge in the field as they prepared 7 successful similar training courses before with participants from nearly all Arab countries

Language of the training : Both Arabic and English languages will be used

Each trainer will get the manual of the Cognitive Behavioral therapy and a Certificate of attendance signed by both the Child Mental Health Association and the American Center- Alexandria at the end of the training

Application are received till 15/8/2011
